

## Technical Requirements for CHESS Provider Users

CHESS is a web-based system for disease reporting. Provider users of CHESS can submit disease reports to be investigated by DHEC staff.

The login website for CHESS is:

<https://chessweb.dhec.sc.gov>

In order to use this system each computer that is intended to connect to CHESS must meet the following requirement:

- Microsoft Internet Explorer must be the browser.

Please provide your IT Department this information to ensure the CHESS web address is considered a trusted site so you can access the application.

For more information, please contact:

CARES IR/CHESS Help Desk
